Introduction

Welcome to the Chilli Underwriting Touring Caravan Policy underwritten by Zenith Insurance Plc.

This document, the schedule, any statement of fact or proposal form and any endorsements set out the terms of the contract between you and us. The contract is based on the information you provided on your statement of fact or signed proposal form, and any other information given either verbally or in writing by you or on your behalf at the time you applied for insurance.

You must read this policy, the schedule and any endorsements together. Please read all three documents to make sure they provide the cover you require. If they are not correct, or do not meet your needs, please immediately return the policy documents to the person who arranged this insurance for you.

The schedule sets out the sums insured (the amount of cover you have) and the sections of the policy which apply.

If your insurance needs change during the period of insurance please let us know as soon as possible. You must tell us about any changes which affect the circumstances of the caravan. If you don't tell us about any changes your policy may not be valid. Your policy is designed to be amended easily and we will issue a new schedule or endorsement each time the policy is altered.

You must also tell us if at any time the sums insured shown in the schedule are not enough. Following a claim we can make a cash payment, carry out the necessary repairs, or replace the item.

Before you accept this policy, you have 14 days to review the documentation and consider the full terms of the insurance. If you are not totally happy with the policy and have not made a claim, simply write to us at the address on the back cover of this policy document requesting that your insurance is cancelled and that any monies paid be returned. We will then cancel your insurance.

Nobody other than you (the Insured) and us (Chilli Underwriting) has any rights that they can enforce under this contract.

You and we can choose the law that will apply to this contract. Unless specifically agreed otherwise, this insurance shall be subject to English Law.

The terms and conditions of this policy and all other information concerning this insurance are communicated to you in the English language and we undertake to communicate in this language for the duration of the policy.

Our agreement

In return for your premium we will insure you during the period of insurance, under the terms set out in this policy document, the schedule and any endorsement we have issued.

What is covered

We will insure any amounts which you legally have to pay for causing accidental bodily injury, death or disease or accidental loss or damage to property arising out of you owning, possessing or using the caravan or its contents.

We will also cover you or your immediate family & friends for any legal liability as owner or occupier of the caravan to compensate others if, following an accident, someone dies, is injured, falls ill or has their property damaged.

We will only pay for liability occurring during the period of insurance which results from incidents which happen within the geographical limits of this policy.

In the event of your death or the death of the person seeking indemnity under this section of the policy we will also extend cover to apply to your or their personal representatives in respect of liability incurred. However you and they must keep to the terms, conditions and exceptions of this section.

The most we will pay under this section of the policy is £2,000,000 in connection with any one incident or series of incidents arising out of any one event.

As long as you have our permission beforehand we will also provide cover for legal defence costs you are required to pay in connection with any incident which is the subject of indemnity under this section of the policy. The cover for these legal defence costs will be in addition to the limit of liability for this section.

If we agree to pay these costs under this section of the policy the choice and appointment of legal representation and the extent of any assistance that we provide will be entirely at our discretion. There will be no agreement to pay these costs unless we have confirmed this to you in writing.

Exceptions to Section D

What is not covered

This section of your insurance policy does not cover the following:

- a) Liability arising directly or indirectly while you are towing the caravan; or
- b) Liability that arises from death, injury or illness or loss of or damage to any property that falls within the scope of the compulsory insurance cover required under the Road Traffic Act or equivalent legislation of any country in which this insurance applies; or

Section E – Settling Claims

1. The caravan

We will either pay the cost of repairing the caravan or, if the caravan is lost or damaged beyond economical repair, we may settle the claim as follows:

a) New For Old Cover (caravans of less than five years old)

If at the date of the incident giving rise to a claim under this policy your caravan is less than five years of age from the date of manufacture and

- is stolen and not recovered; or
- is beyond economical repair

we will replace it with a new one of the same make, model and specification.

Your sum insured must be sufficient to cover the cost of a new caravan of the same make and model. You must be able to provide the original purchase receipt for your caravan.

In the event that a replacement caravan of the same make, model and specification is unavailable we will settle the claim on the basis of the retail value of your caravan (as shown in the current edition of Glass's Guide to Caravan Values) immediately before the loss or damage, less a deduction to reflect pre-accident condition.

b) Caravans over five years old

If your caravan is five or more years old, we will pay up to the retail value of the caravan at the time of the loss or damage (as shown in the current edition of Glass's Guide to Caravan Values), less a deduction to reflect pre-accident condition.

2. The contents

We will:

- a) Repair damaged items; or
- b) Pay the cost of replacing lost or damaged items by items of similar quality; or
- c) Replace lost or damaged items with items of similar quality.

We may take off an amount for wear, tear, and loss in value.

If the sums insured on the caravan and contents at the time of loss or damage are less than the cost of replacement less an amount for wear, tear and loss in value, you shall be considered as being your own insurer for the difference and shall bear a rateable share of the loss accordingly.

Section F – General Exclusions
